Thursday, May 20, 2010
P.U.D. Building, 9610 Sandridge Road

HARDWARE pick-up/return: Karl Johnson

KEY and password pick-up/Meeting facilitation: Jan Bono

7:00 p.m. SHARP! Call to order Any quick announcements.

7:02 Minutes: Nancy Meyrick, last month's secretary volunteer, will read the minutes. We need a **volunteer for this meeting** to take notes tonight, type them up, and email them to Karl by Monday for posting.

7:07 Treasurer's Report: Richard will give the treasurer's report. Dues were due in January, and are \$12 per year.

7:10 Program: Back-ups! Everything you always wanted to know about keeping your files backed-up in a safe, yet accessible, place. Karl Johnson will again dazzle us with his expertise concerning external flash drives, zip drives, external hard drives, thumb drives, saving to a CD, online storage systems and other alternatives.

7:50 Q&A or Cheers and Jeers! Please bring your questions! Everyone is an "expert" on something; let's tap the collective intelligence!

8:15 Keynote Workshop Update: Coming soon! A separate 90-minute Keynote workshop taught by John Sporseen! Here's your chance to have input on where and when.

8:20 *HELP!* We need topic(s) and presenter(s) for future meetings. Still on our list from January: short-cut tricks, emailing photo attachments, opening all types of downloads, windows media viewer, help menus, operating systems, navigating in the address book, and "time machines." (?) Please come with ideas and suggestions! This is *YOUR* club!

8:28 Announce next meeting date & tentative program

8:30 Adjourn
